

CYNAP PURE MINI

COMPACT, WIRELESS
PRESENTATION SYSTEM

**NO APPS,
NO DONGLES,
NO CABLES!**

Cynap Pure Mini is a simple yet versatile wireless presentation device. Ideal for small meeting rooms, huddle spaces, and classrooms. It allows users to share content onscreen from any device without using cables or additional software.

KEY FEATURES

- 
BYOD - Wireless Screen Sharing
 Support for AirPlay, Miracast, and Chromecast for app-free, dongle-free screen mirroring from any device.
- 
4K Output Resolution
 Provides sharp and clear 4K UHD output, ensuring high-quality visuals for presentations - Up to 4 wireless connections simultaneously.
- 
Maximum Ease of Use
 Intuitive operation eliminates the need for training, enabling users to connect and present quickly and easily.
- 
Enterprise Level Security
 Linux system with wireless data encryption, user access management, and customizable security features to meet the needs of every organization.
- 
Remote Management & Administration
 vSolution Link Pro - free-of-charge software for easy remote setup and maintenance.

ADDITIONAL FUNCTIONS

Flexible Network Integration

Room Management APIs
